**SUMMER 2015** - This was a great year for Hever Festival once again. We enjoyed some really super shows and glorious weather in our stunning open air location. We appreciate all your complimentary feedback too...

*"Just had to write to say how much we enjoyed the Magic of Motown night last Friday. It was a superb evening and you must be congratulated on including the act in your programme of summer events; they brought everyone to their feet - just magical in your idyllic setting, I sincerely hope you will be booking them again next year!"*

*"This was a superb show (Chicago Blues Brothers) and rates amongst the best we have seen at Hever over the many years we have attended. Lively and professional it provided a great evening entertainment. Excellent value for money!"*

*"It was a wonderful evening... great food in the restaurant and a great show."*

*"We saw The Pitmen Painters last Thursday. I am writing to say what a magnificent evenings entertainment it was."*

*"On behalf of the 32 people who came to the matinee on Friday, we want to say what a great play it was, and such a good cast. The tea afterwards was excellent, good service... Hope there will be something similar next year."*

*"I just wanted to say how much we enjoyed Saturday's performance of Carmen. With the beautiful weather and the lovely setting it made for a perfect evening..."*

*"The Jungle Book performance was brilliant (the girls especially loved the parade with Bagheera in the interval) and we really enjoyed spending time in the grounds of the beautiful Hever Castle afterwards"*

*"Fantastic show... brilliant singers and dancers... these great evening theatre shows at Hever castle are a must to see..."*

*"We always enjoy our visits to the Hever Festival immensely. Fantastic setting and productions, it never fails to impress us. Really appreciate your efforts, it makes all the difference... wonderful customer service as always!"*

*"It's quite magic coming to your performances..."*

**SUMMER 2016** - We are planning the season now so we can do it all again next year. The programme is almost complete and we are excited at some of the new productions we've already booked, along with a selection of some of our most popular and frequently requested shows.

**Don't miss out, for more information visit our website:**  
<http://www.heverfestival.co.uk>

**THEATRE DEVELOPMENT** - We were thrilled to reach our target for new canopies for the seating stands this year. Thank You to all who so generously donated, we hope you enjoyed the new covers. We are now turning our attention towards the auditorium seating itself and are planning and saving towards improvements either this summer or next.

If you would like to help us continually improve and develop our venue, we are very grateful for any contribution you feel able to make. To do so you can complete the required box on the attached Festival Friends Application Form, or do so online at:
